

Join us for RDA's 2011 Annual Meeting!

New and old RDA members are invited to our annual meeting with guest speaker Kathy Wolf Moore. Kathy is a Kansas State legislator, works at KU Hospital and has just been appointed to the board as the community representative.

She'll be speaking about how Rosedale will be impacted by what is happening at the hospital and at the state level. We'll also recap highlights from our 2011 work and share plans for the coming year.

The meeting will be held at **1401 Southwest Boulevard (RDA meeting room), KCK 66103**, on **December 19, 2011 at 6:30 p.m.** Hope to see everyone there!
